

Dear **Doctor**,

We are writing to inform you that, since **March 26th, 2024**, the pharmaceutical responsibility for the product **[PONVORY]**, previously held by **[Johnson & Johnson]**, has been transferred to **[Laboratoires Juvisé Pharmaceuticals]**.

In Egypt, the transfer of the Marketing Authorization from **[Janssen Egypt]** to **[Juvisé]** will be effective as of **October 26th, 2025**.

This transfer includes all responsibilities related to the pharmaceutical management of the product, including:

1. Regulatory responsibilities
2. Distribution & Supply chain management, that would still be managed by Pharma Overseas as appointed distributor
3. Scientific and Medical support for healthcare professionals, including medical information, pharmacovigilance and adverse event monitoring
4. Promotional activities

Please be assured that this change does not affect the product quality, availability of the product, nor the approved indications, formulations or packaging other than the company details.

The prescribing information and administration guidelines will remain unchanged.

From **October 26th, 2025**, **[Juvisé]** will be your primary point of contact for any inquiries related to **[PONVORY]**.

Should you have any questions or require further information, please do not hesitate to contact the following addresses:

Medical information: All medical inquiries should be directed to:

Laboratoires Juvisé Pharmaceuticals

+33 (0)4 26 29 40 00

pv@juvise.com

Quality complaints: All communications regarding quality complaints should be directed to:

+33 (0)4 26 29 40 00

qualite@juvise.com

Pharmacovigilance: All reports of adverse reactions should be directed to:

+33 (0)4 26 29 40 00

pv@juvise.com

We sincerely thank you for your continued trust & collaboration. We are confident that **[Juvisé]** will ensure a seamless transition and provide the same level of commitment you have experienced with us.

With appreciation,

Signature J&J by **Ahmed El Hofy**, Managing Director

Signature Juvisé **Bruno Pouly**, Responsible Pharmacist
